

Exploring Space Science 2-Day Workshop

(CSU-East Bay Continuing Education Course TED 7841)
hosted by the Center for Science Education, Space Sciences Lab,
UC Berkeley

Agenda for Day 1, Saturday, August 12th, 2006

- 8:30 am** Coffee and Tea
- 9:00 am** Introduction
- 9:20 am** **Space Weather** jigsaw activity
- 9:40 am** *Exploring Magnetism*: Magnetism
- 10:40 am** Break
- 10:50 am** *Exploring Magnetism*: Electromagnetism
- 11:50 am** Lunch, with **Space Weather** presentation
- 12:50 pm** Breakout Sessions:
K-4 5-9
Eye on the Sky *Living With a Star* – GEMS guide
- 3:05 pm** Break
- 3:15 pm** **Stardust@home** presentation
- 4:15 pm** **Take-home Assignment** and Day 1 wrap-up
- 4:25 pm** Evaluation
- 4:30pm** **End of Workshop Day 1**

Exploring Space Science 2-Day Workshop

(CSU-East Bay Continuing Education Course TED 7841)
hosted by the Center for Science Education, Space Sciences Lab,
UC Berkeley

Agenda for Day 2, Saturday, December 9th, 2006

- 8:30 am** Coffee and Tea
- 9:00 am** Day 1 Review and Assignment Discussion
- 9:30 am** *The Real Reasons for Seasons* – GEMS Guide
- 10:30 am** Break
- 10:40 am** *The Real Reasons for Seasons* – GEMS Guide, continued
- 12:20 pm** Lunch, with *A Private Universe* video and discussion
- 1:20 pm** Breakout Sessions:
- | | |
|-----------------------|-------------------------------------|
| <u>K-4</u> | <u>5-9</u> |
| <i>Eye on the Sky</i> | <i>Exploring Magnetism on Earth</i> |
| | Auroras Presentation |
- 3:50 pm** Break
- 4:00 pm** Discussion, Final Q& A, Wrap-up
- 4:20 pm** Evaluation
- 4:30pm** End of Workshop Day 2
